

RAILMARK TRACK WORKS NOW SERVES SOUTHWEST RAIL USERS WITH NEW HOUSTON TEXAS OPERATION NEWS RELEASE – (Madisonville, KY) – November 7, 2016

Railmark Track Works Inc. (RTW), the track construction and maintenance subsidiary owned by Railmark Holdings, Inc., announced today that it has created a team and established a presence in the Houston Texas area and is now offering its customer-focused track services and unique ECO-SAFE rail products to industries, rail users, railroads and rail transit agencies in the Southwest part of the United States. This new operating division is headed by veteran rail track professional George McMahon, who has been named as Railmark’s Southwest Regional Manager (gcmahon@railmark.com). He is supported by recent Texas A&M University graduate Zack Benavidez, who will serve as Business Development Manager, Southwest Region (zbenavidez@railmark.com).

Railmark President & CEO B. Allen Brown commented, “Railmark is looking forward to serving this key railroad market in the Houston Texas area and expanding this division’s footprint all across the Southwestern part of the U.S. The Company has a great team in the Houston area under the leadership of George McMahon an supported by Zack Benavidez. Railmark is looking forward to further expansion in this market, namely our railcar mechanical services and rail logistics/rail transloading services”.

The Company began serving the Houston Texas area rail users today.
